

Navigating The Road to Justice

When you've been injured in an accident, your entire life can change in an instant.

You may be thinking about hiring a lawyer, but what steps should you take?

The 9 Main Steps in the Personal Injury Claims Process

1. See a Doctor

Get treated as soon as possible and document your injuries.

2. Hire a Lawyer

An experienced attorney can help you get the full compensation you deserve.

3. Investigate Claim

Your attorney will interview witnesses, request your medical records and more.

4. Demand Settlement

Your attorney will demand full compensation for your injuries from the other party.

CLAIM SETTLED

5. File a Lawsuit

The other party will be served a complaint, which details the allegations against them.

6. Find New Evidence

Each party has the chance to gather new evidence to support their case.

7. Start Mediation

A third-party mediator will oversee meetings in hopes of coming to an agreement before trial.

CLAIM SETTLED

8. Go to Trial

Your case will be tried before a judge and jury, and a verdict will be issued.

CASE WON

9. File an Appeal

Your attorney can file an appeal if errors were made in trial.

Your Future is Worth the Wait.

Your case is unique, and it may take months or years to reach a fair settlement or win your case in court.

The skilled lawyers at The Goss Law Firm will work tirelessly at each stage to ensure you receive the compensation you deserve.

Your future is worth fighting for.
